

*I'm not sure if life can be any better for our families and ministry! Let me catch you up on all the latest. First, one of our Bridge transitional ladies who was a participant in our home ownership cohort just moved into her BRAND NEW home this month! Your support offered her affordable housing for a little over two years, she managed her budget and saved for her down payment. With the help of the wonderful promotion she received at work, she is now a HOME OWNER!*

*Then I received this sweet picture of Irene and Luke. Irene was pregnant when she came to our program and within 24 hours went into labor with Luke, her fourth child. Irene maintains sobriety and contact with us. She is raising little champions!!*

*Final numbers are in from May's banquet...YOU brought in \$135,000.00! My heart is so grateful for the support we receive that pushes the mission forward, allows us to continue the GOoD work that is transforming lives AND literally helping to build a miracle mansion! Our GREAT Re-Build will be complete in just a few short months, I can't wait to give you a tour. In the mean*

*time, keep an eye on our Facebook page and don't forget to talk to God. ☺*

*Our miracle mansion is just a few short months away from completion*

*Blessings in abundance, Vikki*
