VIKKI LUNA

You've heard the slogans, there's a new one every year. Goals, dreams, resolutions. Statistics say that only 9% of people keep the resolutions made through to the end of year. That's people for you! We mean well most of the time and have good intentions, however, often don't follow all the way through. Not so with God! And what I love most about Him giving more, is that it's not just in '24, it's year after year! Ephesians 3:20 says He'll give you MORE than you ask, think or even imagine. What are you asking for? My God is big, so I ask big. I ask for changed hearts in the people we serve, miracle mansions and other outrageous requests. I know He hears me. Because He hears me, He answers me. This year we not only have our home back BIGGER, BETTER, STRONGER, it's also paid in full! **What are you asking for?** **I hope it's for 'More in 24'.** **Happy New Year!**

ISAIAH 43:19

Open House

We received the keys on December 22, moved the girls in on the 26th and opened the doors for you to come through just one week later. We were excited that you were excited too! Start time was 4:30. When I went to the front doors, numerous people were already lined up to see the miracle. With over 200 people walking through in the short 90 minute period, everyone was impressed with how the ladies used their leadership skills to highlight each area of their new home. A beauty. God's best. A far cry from what a 'rehab' is typically expected to look like. We kept some of the old style of the original home with a newness and the ability to serve an additional 10 women. Neighbors, local nonprofits, city, county and state representatives, news channels, volunteers, pastors and friends walked and talked as we all celebrated what the Lord has done through your prayers and partnership. A special thank you to Mr. Wathen who saw our empty lot as a canvas to do God's work. **1 PETER 4:10,11**

Soup For The Soul

We're gearing up for a great girl time! This is a warm, cozy kind of gathering. Sample several soups, dash for a dessert, be encouraged by a superstar speaker, win a raffle and grab a bargain from the silent auction table. This event is a favorite for all who've attended. We're excited to be at a new venue this year and have several new ladies joining us in the fun. Slip on your UGGs or throw on your favorite flannel and prepare to meet new friends all while supporting the women and children in the home.

Graduation

Each lady entering our doors wants change. Some are willing to do the hard work and some quit before hitting the finish line. Discouraging? Yes. When you see the potential each one has, and you understand that they were created on purpose for purpose, it is disappointing when they don't see it for themselves. We must focus on the ladies who are in it to win it. That's what Jesus did. He always asked, "Do you want to be healed?" Then he called them to action and told them to "Get up!" That's what we're doing, discipling the women to be champions. Our goal is not to just get them sober but to help them live abundant lives. To be able to go into the ring (the world) and win. Sober, stable and self-sufficient is what every woman has displayed before being crowned at graduation. We can see on the outside what they've been allowing the Lord to do on the inside. Join us as we applaud them for choosing life and persevering.
